

Newington College Rugby Support Group

Contact Information Form

Dear Rugby Parents,

Please help us to streamline the Rugby Support Group communication

We don't want to waste valuable resources by having to post our newsletters and information sheets to you on a regular basis via snail mail so we would prefer to send most communication to you via email. We ask for your help in this matter so we can establish a comprehensive email database for all Newington Rugby players.

Please complete the form below and FAX back to: **9569 0133**
or, alternatively, you may email directly with the required information to **gjmck@bigpond.net.au**

If you have previously advised us of your email address but it has changed in the last year our list will now be out of date so please give your new contact details and the old details they will be replacing. Please rest assured your details will not be shared with any other organization. Thank you for your assistance.
