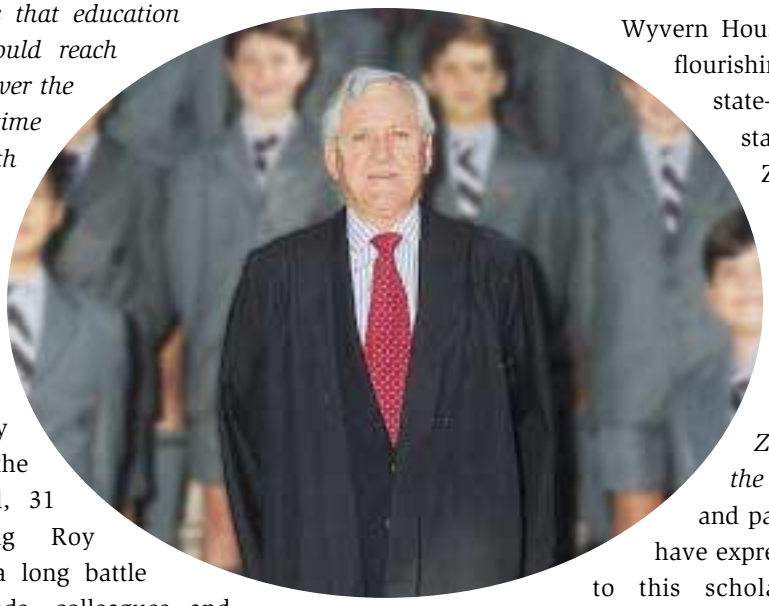
THE ROY ZIMMERMAN SCHOLARSHIP

As far back as I can remember, I have a clear impression of how much Dad loved and gave to teaching. Fundamentally he had a view that every individual child deserved the nurturing and opportunities that education could provide… so they could reach their full potential and discover the joy of learning. He loved his time at Newington and the growth of Wyvern House was an intrinsic part of him. For Dad, and indeed all of our family, the Newington community was like an extended family.



- From a tribute delivered by son Trent Zimmerman in the Newington College Chapel, 31 January 2002, following Roy Zimmerman's death after a long battle with cancer. Family, friends, colleagues and generations of Wyvern House boys gathered to farewell, for the last time, the longest serving Master of Wyvern House, Mr R.A. Zimmerman.

The Newingtonian 1996 records: Roy Zimmerman was appointed Master of Wyvern in 1966 with 166 boys, of whom 44 were boarders. It says much for his leadership that at the time of his retirement in 1996 the school had grown to 358. He felt strongly that his role was not only to nurture appropriate learning skills and development in his boys but to create a happy, rich learning environment in which each student felt highly valued, irrespective of background or ability, where boys' latent abilities and creativity would be stimulated to the full, where the total school community, staff, parents, boys, would feel they were valued members of a very special and caring family.

Wyvern House today is an exciting and flourishing school in its magnificent state-of-the-art new premises. It stands as a monument to Roy Zimmerman's distinguished career, his hard work, his dedication and his wisdom.

In his honour, the recently introduced scholarship for the Dux of Wyvern House has been named *The Roy Zimmerman Scholarship for the Dux of Wyvern*. Old Boys and past parents of Wyvern House have expressed interest in contributing to this scholarship as a tribute and acknowledgement of the exceptional contribution Roy made to Newington.

You are invited to join with them by making a donation to this scholarship, in Roy Zimmerman's memory, by completing the form below. Donors' names, without reference to amount of donation, will be recorded (unless otherwise requested) in a presentation book to be kept at Wyvern House.
